

Nephropathology Course: IgA Nephropathy

Date: Friday, 26 August 2022

Location: Grand Hotel Lund, Sweden

Information: BiPath.Education@gmail.com

The course is endorsed by the European Renal Association (ERA)

This is an intensive, one-day workshop-style course which will highlight current knowledge and developments in IgA nephropathy. Experts in the field will give state-of-the-art lectures in addition to two practical sessions that are designed to elicit a fruitful interaction between speakers and attendants. The assignments for the practicals will be available in advance, and it is also possible to send in questions for the speakers before the course. We look forward to seeing you in Lund!

General information:

This intensive, one-day workshop-style nephropathology course will highlight current knowledge and developments in IgA nephropathy. Experts in the field will give state-of-the-art lectures in addition to two practical sessions that are designed to elicit a fruitful interaction between speakers and attendants. The assignments for the practical will be available in advance. ECME credits have been applied for. The number of participants is limited to 40. Registrations will be based on first-come, first served rule. In the event of less than 25 participants, the date of the course may be postponed, or the fee reimbursed.

Location:

Grand Hotel Lund, Bantorget 1, 222 29 Lund, Sweden. The hotel is conveniently located near the central railway station of Lund (10 minute walk). There is an excellent connection by train between Lund and Copenhagen Airport.

Registration Fee:

The course fee is 290 euros. This fee is for course attendance including lunch and coffee breaks. Participants will receive the assignments for the two practicals beforehand. A certificate of attendance will be provided after completion of the course.

What happens after registration?

After reception of this form, you will receive confirmation of enrolment and instructions for payment. You will also receive a short survey about your expectations of the course. The assignments for the practicals will be sent to you in June.

This course is organized by Bajema Institute of Pathology (BiPath), Dutch Chamber of Commerce 77337697, director: Ingeborg Bajema MD PhD
